LED MIRRORS

EURO MIRROR by RADIANT

GLÖDA OLËK – 60

The GLÖDA OLËK mirror marries sleek European design with modern technology. Our unique, sophisticated design features low energy, high output LED lighting built into the frame in front of the mirror, which illuminates the edge of the mirror, creating a sense of luxury.

Keep your mirror fog free and customise it according to its use, such as applying makeup, brightening up a dull bathroom, creating ambience, or for use as a nightlight.
